FROM

[REDACTED]
Chief, Budget and Fiscal Branch, OL

SUBJECT: FY-89 Additional New Proposed Initiatives and
FY-90 New Proposed Initiatives

1. At the request of the Chief, DDA Management Staff, the Office of Logistics has been asked to provide brief descriptions of our new proposed initiatives for the FY-89/90 program cycle and a rank order listing. This is in reference to new proposed initiatives discussed at the recent OL Planning Conference in Fredericksburg and/or any initiatives proposed since then that were approved by the Director of Logistics. Because no initiatives were recently approved by the Director of Logistics for your division/staff, no action will be required of you regarding new initiatives. However, if you have ideas for new FY-89 or FY-90 initiatives at this time, please contact the Chief, Budget and Fiscal Branch (B&FB) as soon as possible so that he can give you direction regarding submission of initiatives which would have to be completed by 23 December.

2. Regarding the ongoing initiatives, the DDA Management Staff reported that they will review them at a date to be announced. If you are aware of any significant funding level changes from the current profile, please identify these and submit them to the C/B&FB by COB 23 December.

3. If you have any questions, please contact [REDACTED]
C/B&FB on [REDACTED] or contact [REDACTED]
